

Earlene DuBien

April 26, 1938 - March 29, 2016

Earlene (Boots) DuBien (age 77)

went to heaven on March 29, 2016,
ending her long battle with cancer.

Boots loved her family very much and enjoyed family events,
catching up on the latest family drama and
eating great southern food was how she enjoyed life.

She was always concerned for others well being
even when she herself became very ill.

She fought a strong battle against the
disease that devoured her body but not her mind.

She grew up in OZARK, Alabama where she had
great memories and stories to tell her grandchildren.

You can take the girl out of the south but you can
not take the south out of the girl, that rang true with Boots.

She married Lee DuBien, a military guy and ended
up traveling around the World living in Hawaii,
China and Texas for many years but never once forgot her roots.

She retired from the army air force exchange
(AAFES) after 35 years of service then living
with her son in Florida enjoying life.

she is survived by children, Ricky And Darlene DuBien,

“ We visited her on several occasions in hopes of cheering her up but she always turned that
around and we always left being the ones who felt great about life. Her extended family is
so precious to the both of us. Even though we cannot be there today, all of you will be in
our thoughts and prayers.
